

NF4NC

Natives Families for Native Children

NF4NC is looking for tribal members from the Omaha Nation who are interested in becoming Nebraska Licensed Foster Families!!

The Omaha Tribe is proud to be apart of the NF4NC (Native Families for Native Children) project, which is collaborative effort between the Winnebago, Ponca, and Santee Tribes; the Iowa Department of Human Services; The Nebraska of Health and Human Services.

Orientation Coming Soon for those interested!!

10 week training course. Once a week. Utilizing the Native American TIPS-MAPP Curriculum

- Learn about your own family's strengths and needs
- Learn about children in foster care and their strengths and needs
- Learn how trauma affects the way children see the world around them
- Learn how to help children stay connected to there past
- Learn how to keep a safe, healthy home for children and youth
- Make a informed decision about foster parenting

Foster Parents can keep children connected to their culture, helping them build positive self-esteem and positive cultural identity while also providing a safe, nurturing home.

For Further Information please feel free to contact the The NF4NC Office located at the Social Services Building
